Attorney's Docket No.: 10559-438001 / P10655

REMARKS

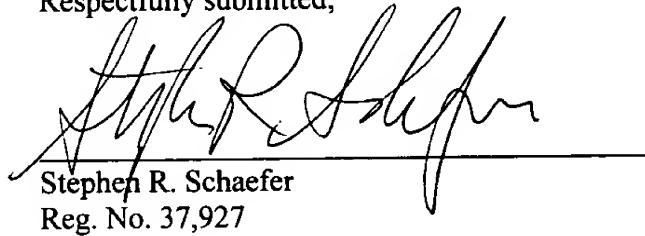

This Preliminary Amendment makes various minor amendments to the "Description of Drawings" section of the specification. Specifically, the description of FIG. 3 is amended to refer to the display shown in FIG. 1, the description of FIG. 6 is amended to refer to FIG. 5, the description of FIG. 7 is amended to refer to FIG. 3, and the description of FIG. 8 is amended to refer to FIG. 7 instead of FIG. 8.

No new matter is added by these amendments to the specification. Support for the amendments is found in the drawings themselves, and in the description of the figures in the "Detailed Description" section of the specification.

Attached is a marked-up version of the amendments to the specification made in this Preliminary Amendment.

Applicant asks that the specification amendments be entered, and that all claims be examined. No fee is believed due for this Preliminary Amendment. Please apply any other charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Stephen R. Schaefer
